WHY I SERVE AS CIRCUIT JUDGE

Respect. I work hard to make sure that everyone who comes into the courtroom is treated with dignity and respect.

Expectations. I want to leave our community better off for our children and continue to look for opportunities to give back.

Integrity. My parents taught me that integrity is essential to trust. I believe in serving with honesty and integrity.

Dedication. I work hard to connect people struggling with mental health, addiction, and service-related issues to resources for rehabilitation.
